RECOMMENDATION:

Staff recommends that this item be continued to the April 16, 2003 hearing.

BACKGROUND INFORMATION:

The Commission is aware that the staff has received a request for reconsideration on this item and, in accordance with law, the staff has provided individual notification and legal ads concerning review of this item at the March 19th hearing.

Staff also asked attorneys for the City of Redlands and Majestic Realty to provide responses to this item prior to publication of this report. To date, staff has not received any additional responses from these individuals and would prefer that such responses should be given complete public access prior to any Commission action.

Accordingly, staff recommends continuance of this review until the April hearing.
